All responsible Vendors are invited to send information about their companies to
ContractsOttawa@state.gov.

Dear Prospective Vendor,

The U.S. Embassy invites you to enter into a BPA with the U.S. Embassy Ottawa. Attached is the BPA with terms and conditions applicable to future purchases of the above category of products. The U.S. Government intends to establish a Blanket Purchase Agreement (BPA) to one or more responsible companies submitting fair and reasonable prices.

A BPA is an Agreement, not a contract, and neither party is bound by its terms and conditions. The Government is not obligated to purchase any definite amount under this BPA. If a need arises, an authorized representative of the Government may issue an order following the procedures outlined in the BPA. If the BPA holder accepts the order, then a binding contract between the Government and BPA holder will exist for that specific order.

The U.S. Government intends to award BPAs to those firms that are technically acceptable, responsible, and clearly intend to sell products or services to the U.S. Government at market prices or below. Also, while the U.S. Government may award multiple BPAs, we will only award the number of BPAs sufficient to meet the Government needs and regulatory competition requirements. Technical acceptability of prospective vendors is evaluated by ensuring that the firm is able to comply with the terms of the Blanket Purchase Agreement. Determination of responsibility of prospective vendors will be based on the requirements of FAR 9.1 including:

- Adequate financial resources or the ability to obtain them;
- Ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
- Satisfactory record of integrity and business ethics;
- Necessary organization, experience, and skills or the ability to obtain them;
- Necessary equipment and facilities or the ability to obtain them; and be otherwise qualified and eligible to receive an award under applicable laws and regulations.
- Proximity to Government premises.

For BPAs with estimated total amount exceeding **USD\$30,000** or the equivalent in local currency per year, prospective offerors must be registered in the System for Award Management (SAM) database and receive a Data Universal Numbering System (DUNS) number in order to receive a BPA award. Prospective offerors are encouraged to register as soon as possible. Detailed instructions and guidelines for registration are available at:

<https://www.sam.gov>

If you accept our invitation, this Agreement will become effective upon acceptance by you and will be valid through September 30, 2019.

Thank you for your interest in the business opportunities
offered by the U.S. Embassy in Ottawa!
