**FAR 52.211-8 -- Time of Delivery (Jun 1997)**

(a) The Government requires delivery to be made according to the following schedule:

| <b>REQUIRED DELIVERY SCHEDULE</b> |                         |                                                                                   |
|-----------------------------------|-------------------------|-----------------------------------------------------------------------------------|
| <b>ITEM NO.</b>                   | <b>QUANTITY</b>         | <b>WITHIN DAYS AFTER DATE OF CONTRACT</b>                                         |
| 001-003                           | <b>ATTACHMENT<br/>1</b> | No later than hundred and eighty (180) calendar days after receipt of order (ARO) |

The Government will evaluate equally, as regards time of delivery, offers that propose delivery of each quantity within the applicable delivery period specified above. Offers that propose delivery that will not clearly fall within the applicable required delivery period specified above will be considered nonresponsive and rejected. The Government reserves the right to award under either the required delivery schedule or the proposed delivery schedule, when an offeror offers an earlier delivery schedule than required above. If the offeror proposes no other delivery schedule, the required delivery schedule above will apply.

| <b>OFFEROR'S PROPOSED DELIVERY SCHEDULE</b> |                 |                                           |
|---------------------------------------------|-----------------|-------------------------------------------|
| <b>ITEM NO.</b>                             | <b>QUANTITY</b> | <b>WITHIN DAYS AFTER DATE OF CONTRACT</b> |
|                                             |                 |                                           |

(b) Attention is directed to the Contract Award provision of the solicitation that provides that a written award or acceptance of offer mailed, or otherwise furnished to the successful offeror, results in a binding contract. The Government will mail or otherwise furnish to the offeror an award or notice of award not later than the day award is dated. Therefore, the offeror should compute the time available for performance beginning with the actual date of award, rather than the date the written notice of award is received from the Contracting Officer through the ordinary mails. However, the Government will evaluate an offer that proposes delivery based on the Contractor's date of receipt of the contract or notice of award by adding

(1) five calendar days for delivery of the award through the ordinary mails, or

(2) one working day if the solicitation states that the contract or notice of award will be transmitted electronically. (The term "working day" excludes weekends and U.S. Federal holidays.) If, as so computed, the offered delivery date is later than the required delivery date, the offer will be considered nonresponsive and rejected.

*(End of Clause)*

**RECRUITMENT OF THIRD COUNTRY NATIONALS (TCNs) FOR PERFORMANCE ON  
DEPARTMENT OF STATE CONTRACTS**

1. Where contracts exceeding \$150,000 will require the recruitment of TCNs, the offeror is required to submit a **Recruitment Plan** as part of their proposal. Contractors providing employer furnished housing are required to submit a **Housing Plan**.
2. Recruitment Plans must:
  - a. State the anticipated number of workers to be recruited, the skills they are expected to have, and the country or countries from which the contractor intends to recruit them.
  - b. Explain how the contractor intends to attract candidates and the recruitment strategy including the recruiter.
  - c. State in the offer that the recruited employee will not be charged recruitment fees. The contractor or employer pays the recruitment fees for the worker if recruited by the contractor or subcontractor to work specifically on Department of State contracts.
  - d. Recruitment fees include but are not limited to the following fees, charges, or costs:
    - i. for soliciting, identifying, considering, interviewing, referring, retaining, transferring, selecting, or placing potential employees;
    - ii. for covering the cost, in whole or in part, of advertising;
    - iii. for certifying labor applications;
    - iv. for processing petitions;
    - v. for visas and any fee that facilitates an employee obtaining a visa such as appointment and application fees;
    - vi. for government-mandated costs such as border crossing fees;
    - vii. for procuring photographs and identity documentation, including any nongovernmental passport fees;
    - viii. fees charged as a condition of access to the job opportunity, including procuring medical examinations and immunizations and obtaining background, reference and security clearance checks and examinations; and
    - ix. for an employer's recruiters, agents or attorneys.
  - e. Any fee, charge, or cost may be a recruitment fee regardless of whether it is deducted from wages, paid back in wage or benefit concessions, paid back as a kickback, bribe or tribute, remitted in connection with recruitment, or collected by an employer or a third party, including but not limited to agents, recruiters, staffing firms (including private employment and placement firms), subsidiaries/affiliates of the employer and any agent or employee of such entities.
  - f. Recruitment fees included by the prime contractor in the contract price must be allowable by country law, allocable to the contract based on benefit to the program, and reasonable based on what a prudent businessperson would pay for similar expenses and charges. The reasonableness of recruitment fees should be assessed based on the reasonableness of the individual components.
  - g. State in the offer that the contractor's recruitment practices comply with recruiting nation and host country labor laws.
  - h. State in the offer that the contractor has read and understands the requirements of FAR 52.222-50 Combating Trafficking in Persons.

- i. Contractor will advise the Contracting Officer of any changes to the Recruitment Plan during performance.
3. The offeror will submit a **Housing Plan** if the contractor intends to provide employer furnished housing for TCNs. The **Housing Plan** must describe the location and description of the proposed housing. Contractors must state in their offer that housing meets host country housing and safety standards and local codes. Contractor shall comply with any Temporary Labor Camp standards contained in their contract. In contracts without a Temporary Labor Camp standard, fifty square feet is the minimum amount of space per person without a Contracting Officer waiver. Contractor shall submit proposed changes to their Housing Plan to the Contracting Officer for approval.
4. Department of State contractor and subcontractors will treat employees with respect and dignity by taking the following actions:
  - a. Contractor may not destroy, conceal, confiscate, or otherwise deny access to an employee's identity documents or passports. Contractors and subcontractors are reminded of the prohibition contained in Title 18, United States Code, Section 1592, against knowingly destroying, concealing, removing, confiscating, or possessing any actual or purported passport or other immigration document to prevent or restrict the person's liberty to move or travel in order to maintain the services of that person, when the person is or has been a victim of a severe form of trafficking in persons. Contractor must be familiar with any local labor law restrictions on withholding employee identification documentation.
  - b. Contractor shall provide employees with signed copies of the/their employment contracts that define the terms of employment, compensation including salary, overtime rates, allowances, salary increases, job description, description of any employer provided housing, benefits including leave accrual, and information on whether hazardous working conditions are anticipated. Contracts must be provided prior to employee departure from their countries of origin. Fraudulent recruiting practices, including deliberately misleading information, will be considered a material breach of this contract.
  - c. Contractor shall provide all employees with the Department's "Know Your Rights" brochure and document that employees have been briefed on the contents of the brochure. The English language version is available at <http://www.state.gov/j/tip> or from the Contracting Officer.
  - d. Contractor shall brief employees on the requirements of the FAR 52.222-50 Combating Trafficking in Persons including the requirements against commercial sex even in countries where it is legal and shall provide a copy of the briefing to the Contracting Officer's Representative.
  - e. Contractor shall display posters in worker housing advising employees in English and the dominant language of the TCNs being housed of the requirement to report violations of Trafficking in Persons to the company and the company's obligation to report to the Contracting Officer. The poster shall also indicate that reports can also be submitted to the Office of the Inspector General (OIG) Hotline at 202-647-3320 or 1-800-409-9926 or via email at [OIGHOTLINE@STATE.GOV](mailto:OIGHOTLINE@STATE.GOV).
  - f. Contractor and subcontractors shall comply with sending and receiving nation laws regarding transit, entry, exit, visas, and work permits. Contractors are responsible for repatriation of workers who have traveled from other countries for contract performance except an employee legally permitted to remain in the country of work and who chooses to do so; including an employee who is a victim of trafficking seeking victim services and/or legal redress in the country of employment and/or is a witness in a trafficking-related enforcement action.

- g. Contractor shall monitor subcontractor compliance at all tiers. This includes verification that subcontractors are aware of, and understand, the requirements of FAR 52.222-50 Combating Trafficking in Persons and this clause. Contractors specifically agree to allow U.S. Government personnel access to contractor and subcontractor personnel, records, and housing for audit of compliance with the requirements of this clause.
  - h. The contractor agrees to include this clause in all subcontracts over \$150,000 involving recruitment of third country nationals for subcontractor performance.
- 5. For contracts or subcontracts other than commercially available off the shelf items with performance overseas valued at \$500,000 or more, offerors will certify with the submission of their proposal and annually thereafter that the contractor and subcontractors have a compliance plan in place appropriate to the size and nature of the program to prevent human trafficking and to comply with the provisions of this clause. (h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property,

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment*. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples*. (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]*

(ii) The contract services will be furnished at prices that are, or are based on, established catalog or market prices (see FAR 22.1003-4(d)(2)(iii));

(iii) Each service employee who will perform the services under the contract will spend only a small portion of his or her time (a monthly average of less than 20 percent of the available hours on an annualized basis, or less than 20 percent of available hours during the contract period if the contract period is less than a month) servicing the Government contract; and

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
